

*ASAJ Qualifying Times*  
***World Youth Swimming Championship 2008 - Mexico***

***Qualifying Standards***

- *The committee recommends that we establish three standards:*
  1. *An A standard which is based on 8th place at the last championship*
  2. *A B standard based on 16<sup>th</sup> place and*
  3. *A C Standard based on 24<sup>th</sup> (or the place closest to 24<sup>th</sup>)*
- *The gender specific qualifying times for each event is as per attached tables A&B*
- *New qualifying standards will be developed for 2010 by the Swimming Technical Committee based on consideration of the results of both 2006 and 2008.*

***Funding***

- *Those individuals who make the A standard should be fully funded by the ASAJ*
- *Those qualifying with the B standard should have 50% of their cost borne by the ASAJ*
- *Swimmers qualifying with the C standard should be required to secure their own funding*
