**BLP2.7** The application and supporting documents including the findings and recommendations of the Secretariat should be circulated to members of council at least seven (7) days before the meeting at which it is to be considered. The ASAJ does not intend to dictate to a member how their club should be organized. However, there should be a clear indication that the club will be adequately managed, will seek to uphold the Federations goals and values.

To register a new club, the applicant will provide the ASAJ with the following documentation, information and fees:

## **BLP16 NATIONAL TEAM QUALIFICATION**

### **BLP16.1 SWIMMING - General**

The selection process for National Swim Teams is divided into two phases; qualification and team selection. In the qualification process, the names of swimmers who have met the qualification requirement will be gathered. The final team to be selected will be made by a Selection Committee whose decision will be submitted to Amateur Swimming Association of Jamaica (ASAJ) Council for ratification. After ratification by the ASAJ Council, the names of swimmers selected for representation at the CAC Games, Commonwealth Games, Pan American Games and Olympic Games will be submitted to the Jamaica Olympic Association (JOA), who has final authority for those events.

As the ASAJ may not have access to all meet results, it is important that Coaches and Managers of swimmers, who have qualified, ensure that the relevant information providing proof of qualification is submitted prior to the qualification deadline. The ASAJ will not be held accountable for information not in its possession.

In cases where a qualifying time was achieved some time before the selection meeting is held, the Association reserves the right to determine if the swimmer has maintained an acceptable level of performance and training to warrant selection. Should the Selection Committee believe that there is sufficient evidence to indicate that a swimmer is no longer capable of achieving the qualifying time in competition, such evidence shall be documented and submitted to Council for consideration.

The following guidelines will apply;

1. All times must be verified.
