Summer Splash!

Welcome to the July update with news on Summer Splash! SwimJamaica's summer programme

Summer Splash! at the National Stadium Pool

The summer programme started on Monday July 10 and runs until August 21. We have on offer lessons for children and adults. Over 150 persons have registered for the first course of lessons.

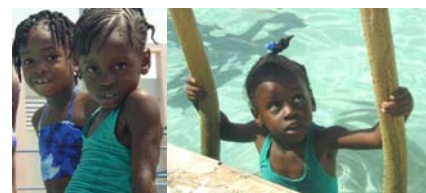

Eighty children are working through a level of the Children's Programme. Over 20 adults (aged 18 to 85) are taking part in the Adult Programme. Others have joined our one2one lessons.

Three schools are taking advantage of our **Freshers Course**; a package of five, one-hour lessons designed to fit into a school/organisations summer camp. We welcome Smurfs Early Childhood Centre, Jessie Ripoll Primary School and Trafalgar Christian Prep School.

The **National Housing Trust** is continuing their sponsorship of children from various inner city communities. Forty children are presently attending the lessons and a cooked meal is provided by the NHT after lessons.
