

An invitation to clubs and individuals to attend Training for Swim Judges, in preparation for officiating during the period April 1, 2010 - March 31, 2012, including Carifta 2010 (April 3-6) in Kingston, Jamaica

TRAINING FOR STROKE AND TURN JUDGES

DATES and TIME:

February 6 and 20, 2-4pm.

Please identify and send at least two people from your club to be trained and (re)certified. Anyone who was previously trained needs to be re-certified every two years and should attend these sessions. Age requirement is 18 so you could target past swimmers who are now at college/university and not just the club parents.

TRAINING FOR TIMEKEEPERS

DATE and TIME:

March 6, 2-4pm.

Date change to make way for the Mayberry Meet.

In order to improve the quality and efficiency of our timekeeping we need to train a large pool of timekeepers who will form the core group for timing at swim meets. Ideally there should be at least two trained timekeepers of three per lane at each swim meet. In addition, we need approximately 40 trained timekeepers to work at the Carifta swim champs this Easter in Jamaica. Age requirement is 11.

Please identify and send persons from your club for training according to the schedule below:

10-20 registered swimmers	4 timekeepers
21-30 registered swimmers	8 timekeepers
31-40 registered swimmers	12 timekeepers
41 or more registered swimmers	16 timekeepers

If all the clubs work together to create a professional team of trained timekeepers we will all be confident in the accuracy of the results for all our meets.

TRAINING FOR CONTROL ROOM OFFICIALS

DATE and TIME:

March 13, 2-4pm.

This is ideal for all the techie members. Age requirement is 18. Please try to find 1 or 2 persons in your club for training in this area.

*Looking forward to your complete participation
