FINA WORLD SWIMMING CHAMPIONSHIPS – ROME, ITALY

Jamaica's final swim at the 13th FINA Swimming World Championships being held in Rome, Italy had Natasha Moodie equaling her National 50 M Freestyle time of 25.95 set at the Beijing Olympic Games. Moodie has a best time of 25.71, which she swum a few weeks ago, however the ASAJ has not yet received the documentation required to ratify her time as a record.

Moodie had a good reaction time. Leaving the blocks in lane 8 in .71 seconds and staying even with the competition though out the race. She timed 25.95 to finish 41st overall, Jamaica's best finish in the Championships. Australia's Cate Campbell had the fastest time in the preliminary heats swimming a Championship Record 24.24.
