PRESS RELEASE

NANGLE ADDS ONE MORE MEDAL TO HER TALLY

Jamaica's Kendese Nangle added one (1) more medal to her tally when she captured the bronze and established a new National Age Group Record in the 11-12 Girls 100M Butterfly in a time of 1:10.96. Entering with the fifth fastest time of 1:13.54, Nangle fought valiantly to ensure that Jamaica was in with a medal.

The going was a little tough for the other two (2) finalists Natasha Moodie and Brad Hamilton, who were just edged out of medal contention when they placed fourth in their respective events – the 15-17 Girls 200M Freestyle and the 15-17 Boys 100M Butterfly respectively.

Today, the penultimate day of competition, the following swimmers will be in action seeking a place in the finals: Richard Graham and Dominic Walter in the 13-14 Boys 400M Freestyle; Kendese Nangle and Xavier Boland in the 11-12 100M Breaststroke; and Natasha Moodie and Brad Hamilton in the 15-17 100M Breaststroke.

Jamaica now has 92 points entering today's events.
